

Hi, my name is Sonia [REDACTED] and I've recently been in a really bad situation. I'm disabled, my daughter's disabled and communication's been hard, the FBI's involved in different things going on. I just wanted to tell you that the young man, I believe his name is Cory, at the front desk, Natalie and Lori- I wanted to tell you how truly special and wonderful they were, and understanding [and] that they were working with me through all these challenges. I can't tell you what a blessing it's meant to have people like them around.

You've done a great job, and I hope that they can stay on board, their very sympathetic with people and they understand and they try the hardest for everybody and make you feel like a human being, not just like somebody begging for help because it's hard to ask for help a lot of times."

So, I just wanted to tell you thank you and how absolutely truly wonderful and blessed I feel for being able to have such nice people to work with.

If you have any questions you can call me at 906-[REDACTED]
Sometimes I can't get phone calls but I always make sure I call back when I see the missed number.

Thank you again.
I really appreciate it.
Bye bye.
