

Walk for Warmth

Warm a Heart. Heat a Home.

Dear Neighbor:

As we begin to see inflation invade our everyday budgets and our economy struggles to stay out of a recession, many low income families are having trouble meeting their everyday expenses. People living on fixed incomes have seen a rise in the cost of food, utilities, gasoline and heat.

Once again we ask you to consider contributing to Walk for Warmth to help a neighbor faced with a heating emergency. No amount is too small, and every dollar raised for Walk for Warmth will be used for heat assistance in the county that is was raised. We are asking for your assistance by doing any of the following:

- Provide a donation to Walk for Warmth
- Soliciting donations for Walk for Warmth
- Encourage others to donate by promoting the “Walk for Warmth” fundraiser in your church bulletin, organizational newsletter or break rooms.

Every dollar from the county it is raised in is used to provide heating assistance to that county’s residents. The Menominee-Delta-Schoolcraft Community Action Agency, WDBC Radio Station, WJMN Local TV3, Radio Results Network, and WLUC TV6 are sponsors of the annual campaign.

Please make checks payable to MDSCAA “Walk for Warmth” and specify the county you wish to donate to. Please send your donation to MDSCAA, 507 1st Ave N, Escanaba MI 49829. Donations are accepted throughout the year. If you have any questions or need more information, contact the Community Action Agency at 786-7080 ext 110.

MISSION STATEMENT: Empower, advocate for, and assist people to improve and sustain their quality of life and independence through education, housing, nutrition, volunteerism, and in-home support.
